KLAYDERMA is more than just skincare.

It is a professional prescription solution designed to restore youth and confidence in modern life.

Our Promise

For AgingSkin → Restoring elasticity through wrinkle reduction and cellular regeneration

For Acne-Prone & Sensitive Skin → Rebuilding and protecting the skin barrier for healthier resilience

For Pigmented Skin → Brightening and evening skin tone to reveal a clear, radiant complexion

Each formula is a commitment to reviving skin health and enhancing natural beauty, ensuring results that reflect both efficacy and sophistication.

Our Distinction

Professional-grade formulations, created exclusively for aesthetic experts

Proven efficacy with rapid, visible transformation

A holistic approach to beauty—enhancing both skin and confidence

KLAY embodies the spirit of **KOREA** aesthetics, delivering **LUXURY** skincare with professional precision. Rooted in the science of **AESTHETICS** and dedicated to restoring **YOUTH**, **KLAYDERMA** offers transformative solutions that redefine beauty and confidence.

ACNE CALMING SOLUTION
Clinical Size: 30mL e 1.01 fl.
oz.

Product Classification Acne Calming Solution

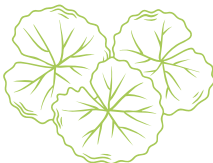

Clinical Indications

Acne-prone skin, compromised epidermal barrier,
acute irritation, and post-procedure erythema.

Formula Overview

It is a soothing and hydrating ampoule formulated
with Centella Asiatica Leaf Water and Tea Tree
Extract to calm irritation and troubled skin.

Panthenol and Aloe provide moisture and relief for
dryness, while Madecassoside helps repair and
strengthen the skin barrier. This formula reduces
redness, controls excess sebum, refines pores,
and restores balance—leaving skin clear, smooth,
and refreshed.

Centella Asiatica leaf water 50%

Product Classification Acne Calming Solution

ACNE CALMING SOLUTION
Clinical Size: 30mL e 1.01 fl.
oz.

Key Clinical Benefits

- Immediate Calming & Repair: Instantly dampens troubled skin tissue and accelerates dermal barrier renewal.
- Moisture & Xerosis Relief: Powered by Panthenol and Aloe Vera to deliver non-comedogenic deep hydration.
- Advanced Dermal Refinement: Controls excess sebum production and tightens enlarged pores to restore physiological balance.
- Redness Relief
- Calming for Irritation skin
- Acne Care
- Smooth skin, Moisturizing
- Absorbs moistly and refreshingly

Main Ingredients :

Centella Asiatica Leaf Water, Melaleuca Alternifolia (Tea Tree) Leaf Extract, Panthenol, Aloe Barbadensis Leaf Extract, Madecassoside

How to Use

Apply an appropriate amount of product evenly to the face, gently massage with your fingers until completely absorbed

BRIGHTENING SOLUTION

30ml

Brightening · Spot Care
Vitality · Hydration

Clinical Indications

Epidermal dullness, uneven skin tone, melasma, hyperpigmentation, and post-inflammatory hyperpigmentation (PIH).

Key Clinical Benefits

- **Melanogenesis Interruption:** Synergistically blocks melanosome transfer to visibly reduce the intensity of stubborn dark spots.
- **Master Antioxidant Infusion:** Enriched with Glutathione to neutralize intracellular oxidative stress and brighten complexion.
- **Deep-Layer Tissue Vitalization:** Formulated in a botanical nutrient base (Rice Bran Water, Coptis Japonica) to maximize cellular luminosity.

It is a daily whitening ampoule designed to revitalize dull and uneven skin tone. Formulated with Niacinamide and Arbutin to reduce pigmentation and dark spots, it also contains Glutathione for strong antioxidant and brightening effects. Enriched with Rice Bran Water, Coptis Japonica, and Rehmannia Root Extracts, it deeply nourishes and hydrates, leaving the skin radiant, vibrant, and healthy.

Main Ingredients:

Oryza Sativa (Rice) Bran Water, Niacinamide, Coptis Japonica Extract ,
Rehmannia Chinensis Root Extract, Arbutin, Glutathione

Moisturizes skin

Helps brighten & even
out skin tone

Skin elasticity

Fade dark spots and
acne scars

Formula Overview

An advanced cosmetic brightening ampoule engineered with a high-performance blend of Niacinamide and Arbutin to precisely target the complex melanogenesis pathway, interrupting melanin formulation and correcting epidermal discoloration

How to Use

Apply an appropriate amount of product evenly to the face, gently massage with your fingers until completely absorbed.

C-REGEN SOLUTION

Clinical Size: 30mL e 1.01 fl. oz.

- Anti-Aging
- Promotes Firm Skin
- Skin Elasticity
- Rejuvenation

Product Classification

C- Regen Solution

Clinical Indications

Loss of skin elasticity, fine lines, structural rhytids, sagging tissues, and biological skin aging.

Formula Overview

A premium, bio-stimulatory cellular anti-aging formulation engineered with pure PDRN (Polydeoxyribonucleotide) and an intensive 6-Peptide Complex to directly trigger fibroblastic upregulation, stimulate endogenous neocollagenesis, and rebuild deep dermal structural density.

It is an anti-aging ampoule with PDRN and six peptides that boost collagen, smooth wrinkles, and enhance elasticity. Niacinamide brightens skin, while Adenosine supports wrinkle care and Rice Bran Water nourishes deeply. This advanced formula promotes regeneration, firmness, and radiance, leaving skin revitalized, youthful, and healthy.

Main Ingredients:

Oryza Sativa (Rice) Bran Water, Niacinamide, Sodium DNA, Human Stem Cell Conditioned Media, Acetyl Hexapeptide-8, Adenosine, sh-Oligopeptide-1

How to Use

Apply an appropriate amount of product evenly to the face, gently massage with your fingers until completely absorbed

Beyond Skin, Toward Confidence

BRILLIANCE CREAM 40ml

Antioxidant· Brightening·

3-in-1 Premium Hybrid cream

A high-performance formula combining brightening, PDRN regeneration, and antioxidant care. It merges serum-level nutrition with a cream's protective barrier. With 4x the power of Vitamin C, Idebenone revitalizes dull skin and restores elasticity, delivering a radiant, youthful glow. PDRN and 17 Amino Acids reinforce damaged barriers, while the "Airy Texture" liquid formula absorbs instantly without stickiness—perfect for a seamless, pre-makeup finish.

- Antioxidant
- Brightening
- Tone up skin

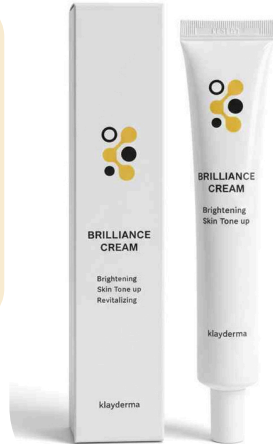

Main Ingredients:

Niacinamide, Tranexamic Acid, Alpha-Arbutin, Hydroxydecyl Ubiquinone, Adenosine, Sodium DNA (PDRN)

How to Use :

- After morning cleansing, refine your skin with a toner or mist.
- Apply the Solution Ampoule to calm and soothe the skin.
- Gently apply the cream over the entire face and pat until fully absorbed.
